

New Applicants Victoria Harbour Arts Festival

Applications & Juries

In order to participate as a musician, juggler, or an artist at the Victoria Harbour Arts Festival, an application form must be completed and submitted to Greater Victoria Harbour Authority with a brief curriculum vitae.

Artists are asked to provide a description, sample or images of the type of artwork wished to be displayed. An outline of performance type, length and repertoire is required from all performing applicants; sample scripts or audio/video recordings may be included, but are purely optional. Performer and musician auditions take place in April. Artists are juried the third week of May.

Juries for annual license applicants are conducted by representatives appointed by Greater Victoria Harbour Authority to evaluate both the merit of the applicant and how he/she will fit into the established market atmosphere.

Completed application forms are to be returned to the Victoria Harbour Arts Festival Coordinator or to the GVHA office.
